

Information processing

During each visit to our website, I do **not collect any data**.

The only data that will be transmitted to me are those that you send to me via the contact form. Your data will of course never be sold to third parties, in one way or another. The information that you communicate to me such as addresses, email or measurements of your windows, are treated with the greatest care and are kept for a maximum of 3 months.

During these 3 months, all the information provided will be used exclusively for the purposes for which they were communicated to me, namely the production of custom blinds or draperies.

Cookies

Being allergic to cookies, I inform you that during your visit to my site <https://www.laetitiajanssens.com>, **no cookie is sent to you**. Cookies are small text files used by other sites and which are sent to your computer following one of your visits to said sites. The purpose of cookies on most of these sites is to send information repeatedly. In addition, the sites present cookies falsely, as being useful to make your visits to their shop more user-friendly, efficient and reliable. But make no mistake, the only objective pursued by sites using Cookies has a commercial purpose, which is to send you regular advertising reminders.

Newsletter

There is no Newsletter because I believe that we are inundated with them and that if you wish to see my achievements or publications, you have access at any time to my Facebook page.

Data

So I don't keep any data.
